Sprint 3 Report

Product Name: Velo
Team Name: YesYes!
Date: 24th July, 2017

Actions to stop doing

- none

Actions to start doing

- The team should start to find out any errors when running the application.
- The team should be more familiar with pager and coordinate view.

Actions to keep doing

- The frontend developers designs using material design.
- The development process for the backend part of our product is working well, and we should continue on similarly in the next sprint.
- The team meets and starts working before 6 PM to prevent from working till late at night.
- The team uses git command well.

Works completed

User Story 1 (As a lender, I want to limit the people I lend my bicycle to (velowers).)
- Task 1 Develop the velowing page
- Task 2 Add a filter & search function in the page

User Story 2 (As a borrower, I want to be able to search other users and velow them so that I can borrow their bicycle.)
- Task 1 Develop the velow page
- Task 2 Add a filter & search function in the page.

User Story 3 (As a user, I want to be able to see all my velower and velowing people.)
- Task 1 Develop mypage to be linked to the velow & velowing page.
- Task 2 Add a refresh function in the page.
-

Works not completed

User Story 4 (As an owner of a bicycle, I want to upload a "free ride" condition so that someone can ride my bicycle to the place I want it to be.)
- Task 1 Develop the free ride page
- Task 2 Create a map on the free ride page

- Task 3 Update current location of my bicycle on free ride page when the bike status is turned to "free ride"
- Task 4 Create a refresh button on the free ride page and design the page
- Task 5 When someone is using my bicycle, give an alert message
- Task 6 Update current location of my bicycle on the free ride page when someone is using my bicycle.

Work completion rate

- The team finished 3 user stories in sprint 3.
- The total number of estimated ideal work hours is 24 hours.
- The team spent total 4 days in sprint 3.
- For sprint 3, the team developed in a rate of 1.3 stories / day and 6 hours / day.
